Oversikt

The Bat Islands are one of the premiere scuba diving destinations in Costa Rica. Located in the far north of the Guanacaste off the coast of Santa Rosa National Park. The area has been protected as a marine preserve by the country as part of the national park. The Bat Islands are full of marine life. There are also massive schools of Rays that pass through the area. For divers, the area is most famous for the encounters that you can have with the very large bull shark!

- Day 2 - 6:** Eat, Sleep & Dive
- Day 7:** Travel back to Puntarenas
- Day 8:** Checkout 7 am and transfer to the San Jose airport or host hotels

Escape to the beautiful area of Costa Rica; Guanacaste and the Bat Islands for scuba diving from a liveaboard vessel. Guanacaste is a province located on the Pacific side of Costa Rica in the northwest part of the country. The Bat Islands are located in a protected Marine Park inside the Guanacaste conservation area. It is one of the most beautiful island chains in Costa Rica and home to a diverse dry tropical forest.

The OKEANOS AGGRESSOR I™ & OKEANOS AGGRESSOR II™ focus on the areas of The Santa Rosa National Park and its marine sector called Islas Murcielago (Bat Islands); this area offers incredible beauty both above and below the surface. This beautiful Conservation Area earned a place in UNESCO's World Heritage Site in 1999. Guanacaste is a province of Costa Rica located on the northern Pacific coast of the country. It is one of the most visited areas of Costa Rica for its beautiful beaches and friendly coastline.

The Bat Islands are located in a protected Marine Park inside the Guanacaste conservation areas. Is one of the most beautiful chain of islands in Costa Rican and home to a diverse, dry tropical forest. The conservation area has over 163,000 hectares of protected land and 43,000 hectares of protected waters, including the Bat Islands Archipelago.

The Guanacaste province and its protected area offer spectacular views of dozens of secluded, solitary beaches along its

Itinerary

The Costa Rica scuba diving trip includes three main geographical areas in the North Pacific of Guanacaste: Bahia Culebra and Catalina Islands Area, Cuajiniquil and El Jobo Area, and Bat Islands in Santa Rosa National Park. These areas are very diverse with an opportunity to dive with lots of species of rays, mantas, turtles, sharks, large schools of tropical fish, frogfish and other macro life. Large pelagics such as Humpback Whales, dolphin and other sharks are seen. Guests will dive up to 4 dives a day including 3 night dives. View the itinerary for the day to day schedule.

Viktig Informasjon

Package includes:

- Accommodations aboard the yacht

Other important information:

Rates: All rates are quoted on a share basis in quad shared cabins; therefore you will be roomed with other persons of the same gender. If you would like a private room, the cost is 65% surcharge and will guarantee you a private stateroom.

Surcharge for upgrade: to Deluxe \$200

Taxes & Fees: The Costa Rica Government charges a park and diving fee of USD \$15 per day, CASH only. It can be expected to enter the Park 2 or 3 days depending on the itinerary. The Costa Rican Government implemented the park fee to maintain The protected land and marine area and preserve its natural habitat. All onboard sales/services have a 13% tax excluding park fees. All fees and taxes must be paid in cash.

Water temperature: in Caño Island range from 25-29°C with thermoclines that reach 70 degrees.

Diving conditions: The diving conditions include surge and mild to strong currents. The tidal swings can fluctuate quickly on this pacific coast making conditions unique in that anything can be seen at any time.

Visibility: can vary between 6 - 24m

Destination good for: Large schools of fish, Sharks, Manta Rays, Turtles, Eels, Mobula Rays, Frogfish, Sea Horses and more

Dive Insurance: is mandatory prior to traveling on the Okeanos Aggressor I. Proof is required prior to diving.

Arrival/Boarding/Departure: Guests will be met by a representative in uniform at our two host hotels, the Holiday Inn Escazu and Holiday Inn Express Forum (formerly Indigo Hotel) on the day of departure at a pre-set time for the group transfer. Boarding the liveaboard for Guanacaste scuba diving depends on the tide schedule. Immediately after boarding the yacht departs for Punta Gorda where the following morning guests will be ready for the first dive. After a week trip, the the yacht returns back to the dock in Puntarenas, Costa Rica. On the last evening of the Guanacaste scuba diving trip, a BBQ will be served on the upper deck. Check-out is at 7 am. Transportation is provided back to the host hotels or San Jose (SJO) airport from the yacht at the end of the charter. Book flights after 12:30 pm.
