Oversikt

Raja Ampat or 'Four Kings', is the name given to these islands and comes from a local myth. Located in the heart of The Coral Triangle, Raja Ampat is known to have the richest coral reef ecosystem in the world. The four main areas offering itineraries are: Raja Ampat, Cenderawasih Bay, Banda Sea and Triton Bay. If you haven't experienced the diving in this area, it is fantastic due to the diversity and abundance of marine life.

Reiserute

- Day 1: Join the Raja Ampath Aggressor in Sorong
- Day 2-7: Up to 4 dives daily in Raja Ampath Region
- Day 8: Disembark at Sorong

Raja Ampat or 'Four Kings', is the name given to these islands and comes from a local myth. Located in the heart of The Coral Triangle, Raja Ampat is known to have the richest coral reef ecosystem in the world.

The Raja Ampat Aggressor offers 3 unique itineraries in the region; Raja Ampat, Derawan Islands & the Banda Sea. If you haven't experienced the diving in this area, it is fantastic due to the diversity and abundance of marine life. The area of the Four Kings is comprised of over 1500 islands and home to 600 types of corals, 1,500 fish species and over 600 types of mollusks.

Day 1: Join tour in Sorong

You board the vessel in Sorong at 1 pm with yacht departure 4 pm. For flights to Sorong we recommend that you book this with your travel agent as there are normally always schedule changes on domestic flights in Indonesia. We offer 30 kilo luggage on several key partner airlines to / from Indonesia. Flights to / from Sorong is via Ambon, Manado, Makassar or Jakarta.

Day 2 - 7: Diving Raja Ampath (Sample Raja Ampat Itineraries)

The Raja Ampat itinerary combines the best dive sites of Dampier Strait, Fam, Mansuar and the awesome dive sites of Misool, the best diving area of Raja Ampat. The great highlights are the manta cleaning station near Mansuar and the huge schools of fish near Farondi. The Dampier straight separates the Birdhead Peninsula from Waigeo and Mansuar. The name comes from the Dutch colonial times. It refers to the shape of the peninsula on the map, but it is also a paradise for many rare bird species.

Here the Pacific Ocean meets the Halmahera Sea, with an explosion of marine life as consequence. With regular strong currents, big fish feel especially comfortable. Manta rays, reef sharks, different schools of mackerel, tuna and barracuda, dolphin and whales. The night dives under the Arborek or Cape Mansuar jetty is a favorite spot with peculiar creatures such as wobbegongs, epaulette sharks (walking sharks), nudibranchs, pipefish, seahorses, frogfish, scorpion fish and the list goes on.

also not to be overlooked with vertical walls, slopes, dry rocks, Also renowned as the center of pygmy seahorses and gorgoni:

hile the others are covered with brightly colored soft corals. ffusion of marine life that Raja Ampat has to offer you.

Day 8: Trip ends in Sorong

Disembarkation in Sorong at 8 am.

Destination is known for: sharks, mantas, turtles, schooling fish & big pelagics, great macro life and marine diversity., wall diving

Best time to visit this destination: October to April, with best chance of perfect conditions from mid-October to mid-December

Water Temperature: is very constant the whole year and seldom fluctuates more than between 27-30°C

Climate: Raja Ampat spans the equator and is a tropical climate; this means there are not four seasons effecting Raja Ampat's weather and climate. Unlike the northern and southern hemispheres; where yearly climate changes and seasons are recorded and where we see a change in the weather from season to season. Raja Ampat's weather is almost the same all year round. As Well as the weather in Raja Ampat the day lengths are also the same all year with just over 12hrs of daylight every day. The whole area is dominated by Micro Climates, making for different weather from island to island and hour by hour. It's not uncommon to have rain for a short period, 5-50mins and then be back in bright sunshine and blue skies.

National Park Important Info: The Indonesia National Park Authority requires each guest's passport information 7 days prior to departure to process a required diving permit. No name changes can be made less than 7 days prior to departure. Your passport information will be taken from the GIS and sent to the yacht. Failure to complete the GIS during this time frame will result in being denied permission to dive on the charter start date.

Arrival/Boarding/Departure: For all itineraries, the flight arrival times are in the morning and afternoon. We highly recommend guests overnight the day before departure at a local hotel then guests will be picked up at 12 pm upon checkout (on day of charter departure) and transferred to the yacht as long as guests are staying in the vicinity of where the yacht docks.

- Sorong/Sorong: Boarding 1 pm with yacht departure 4 pm; Check Out 8 am
- Sorong/Ambon: Boarding 1 pm with yacht departure 4 pm; Check Out 8 am
- Sorong/Biak:Boarding 1 pm with yacht departure 4 pm; Check Out 8 am
- Ambon/Sorong: Boarding 3 pm with yacht departure 4 pm; Check Out 8 am

Dinner is served onboard the last evening of the charter. The morning of check out and departure from the yacht in Sorong, guests are provided complimentary entrance to the MEC (Misool Filling Station), a restaurant/cafe resting place in Sorong while waiting for a flight when departing. They offer complimentary snacks, drink, Wi-Fi, comfortable armchairs in ac room, luggage storage and portorage from and to the taxi.
